when do i go to court to be  
Sentenced, i have already seen  
my PSR in november, it aint suppose  
to take that long for me to go to  
court, the only thing i have objected to  
was the pending charges that my lawyer  
said was gone be taken care of.  
So why is it that im still here.  
i dont get no rec, i dont come out  
for showers nor do i use the phone.  
i havent had a shower since febr.

is judge Lydon at another district  
or am i being dragged because i took  
it to trial & my lawyer & probably  
you all know that im being deprived  
of A shower, rec & phone since  
febr.

when is my Sentencing date? That's  
All im asking.
